Seasonal Agricultural Workers!

Do you work in
the fields, orchards
or packing sheds?

If so, safe,
reliable child
care is available
while you work.

Important
information
on the back.

Your child is too little
to go to work!

Seasonal Agricultural Workers

If both parents work
in the fields, orchards
or packing sheds
AND IF YOU:

- Work less than 11 months per year for the same employer
- Receive no TANF money
- Have children 12 years old or younger (if “special need care” is required, 18 or younger)
- Meet income requirements

You may be eligible
for the Seasonal Child
Care Program

See the back
page for the
office closest
to you.

You need to bring
this information
with you to enroll
in the program:

- Q Receipts of all family income
for the past 12 months

Any combination of these records
is acceptable: W-2's, pay stubs, letter
from employer showing earnings,
welfare stubs, unemployment benefit
receipts or printouts

- Q Welfare termination letter

- Q Identification of children
needing care

Any document showing birthdate is
acceptable, such as: birth certificate,
immunization record, school record,
medical coupons

- Q Name, address and phone
number of employer in
Washington State

- Q Days and hours of
employment

- Q Home address in Washington
State

PLEASE NOTE: The Seasonal Child Care Program has limited funds. Participation is not guaranteed for all who apply. Services are prioritized for families who do not qualify for other subsidy programs.
